ABOUT US

Formerly known as Infinite Global Sourcing, we have now evolved into Infinite Fertilizer & Chemical Pvt. Ltd.—a name that better reflects our focus, commitment, and vision for the agrochemical industry.

With over 8 years of dedicated experience, Infinite Fertilizer & Chemical Pvt. Ltd. stands as a trusted B2B partner, providing high-quality raw material solutions to agrochemical manufacturers and formulators across India,

Our journey began with the goal of creating a reliable supply chain for the agro-input industry. Today, we specialize in end-to-end sourcing and distribution of raw materials—from organic fertilizers, agrochemicals to specialty plant nutrients, enabling our clients to strengthen their product portfolios and scale their businesses with confidence.

What sets us apart is our ability to combine deep market knowledge, strong vendor networks, and dedicated logistics capabilities. We ensure that our clients get the materials they need, when they need them, without compromise.

At Infinite Fertilizer & Chemical Pvt. Ltd., our mission is to empower our clients by enabling superior product quality, reliable supply, and scalable partnerships. Backed by a network of 100+ trading partners we've proudly served over 2,000 + manufacturers across India, and we're constantly expanding our warehouse and logistics infrastructure across india to better support their needs.

OUR WORK

Our Work & Capabilities

At Infinite Fertilizer & Chemical Pvt. Ltd., we are proud to be a trusted B2B partner with both domestic and international reach. With over 8 years of industry experience, we specialize in delivering end-to-end raw material solutions to agrochemical manufacturers and formulators. Our focus is not just on supply, but on value creation—by helping our clients source high-quality raw materials at competitive prices, we support their brand strength and market growth.

Manufacturing & Distribution Capacity

Thanks to our long-standing experience, we have consistently met seasonal peak demands with reliability and speed. Our robust distribution network and warehousing infrastructure enable us to maintain buffer stocks and ensure timely deliveries, customized to our clients' requirements.

Quality Assurance Practices

We are deeply committed to quality. Every batch of product undergoes stringent quality testing, and only materials that meet our strict internal standards are dispatched. This consistent quality control process helps us maintain trust and long-term relationships with our customers.

Clientele & Market Presence

We are proud to have served over 2,000 manufacturers and formulators across India. Backed by a strong network of 100+ trading partners, our footprint is growing rapidly. Our expanding network of warehouses and operational facilities ensures better service, faster turnaround, and greater availability wherever our clients are based.
